Stratum Global Nominated to 2007 CSIA APEX Award -- Technology Executive of the Year

June 5 Event to Spotlight Colorado Technology Companies, People

Littleton, CO. – **May 17, 2007** – Stratum Global, a leading radio frequency identification (RFID) software solutions provider, announced it has been nominated to the 2007 CSIA APEX Awards, the year's premier event for recognizing outstanding accomplishments and leadership by Colorado's advanced technology companies and people. The event, presented by CSIA, Colorado's Technology Association, will take place June 5, 2007 at the Seawell Ballroom in the Denver Center for Performing Arts Complex in Denver.

CSIA, the largest and most influential association in Colorado for the IT industry, recognizes the best and brightest people, companies and accomplishments throughout Colorado's technology community at this annual event.

Since the program's inception in 2000, CSIA's Apex Awards have expressed well-deserved recognition for the numerous technology company success stories and technical advancements produced in Colorado. Presented in eight categories, the awards celebrate outstanding leadership, support, unique innovations, and noteworthy community contributions on the part of the people and companies operating within Colorado's IT industry.

"The Apex Awards acknowledge commitment to excellence, pursuit of innovation and outstanding leadership in technology. We are honored that Alan Christensen has been included among this esteemed group and nominated for the Technology Executive of the Year Award," said Liz Roth, marketing manager, Stratum Global.

"It's no mystery that many Colorado technology companies have had great success and developments this past year," said Su Hawk, president, CSIA. "Our APEX Awards provide the industry a once-a-year opportunity to celebrate their success, and generate awareness around these notable companies, including Stratum Global.

The 2007 APEX Awards event is expected to draw more than 600 attendees from throughout the region. Tickets are available at www.csiaonline.com (click on the Apex Awards information) or call CSIA at 303.592.4070.

About Stratum Global

Stratum Global is a software solutions company that develops and markets TagNet, a release supported, platform agnostic Radio Frequency Identification (RFID) solution suite.
